

module_stdma::module
_stdma_plan_single_solve

```
graph LR; A["module_stdma::module_stdma_plan_single_solve"] --> B["tdma_single"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'module_stdma::module_stdma_plan_single_solve' on two lines. The right box is gray with a black border and contains the text 'tdma_single' on one line. A dark blue arrow points from the right side of the left box to the left side of the right box.
