

```
module_mpi_subdomain  
::module_mpi_subdomain_make
```

```
graph LR; A["module_mpi_subdomain  
::module_mpi_subdomain_make"] --> B[para_range]
```

A diagram showing a call from a module to a function. On the left, a gray rectangular box contains the text `module_mpi_subdomain` and `::module_mpi_subdomain_make` on two lines. A dark blue arrow points from the right side of this box to a white rectangular box on the right. The white box contains the text `para_range`.

```
para_range
